Undergraduate Advising

Quick links

› Make an appointment with an advisor.

› University forms: late add/drop/withdraw form, audit registration, extra credits petition, diploma forms, etc.

› Academic Plans:
  › CS Computer Systems, CS Applied
  › ECE Four-year plan, ECE Five-year plan

Advising

The academic advisors are experts on university policies and the EECS programs and are here to help you achieve your goals for school and beyond. Your advisors will help you make a plan, get involved in extracurricular activities, and advise you about what to do when you are struggling with a class.

Ensuring the future:

Your connection to the College of Engineering is crucial to helping future generations excel. Our students look to your success as an example – you develop technology that has changed our day-to-day lives, solve problems related to our energy resources, and mentor the engineers of tomorrow. Your support and dedication are what help us continue to prepare our students to be leaders in their fields.

Thank you!
